Wake Me Up When September Ends

Gregorian

Summer has come and passed, the innocent can never last Wake me up when September ends Like my father's come to pass, seven years has gone so fast Wake me up when September ends

Here comes the rain again, falling from the stars Drenched in my pain again, becoming who we are As my memory rests, but never forgets what I lost Wake me up when September ends

Summer has come and passed, the innocent can never last Wake me up when September ends Ring out the bells again, like we did when spring began Wake me up when September ends

Here comes the rain again, falling from the stars Drenched in my pain again, becoming who we are As my memory rests, but never forgets what I lost Wake me up when September ends

Summer has come and passed, the innocent can never last Wake me up when September ends Like my father's come to pass, twenty years has gone so fast Wake me up when September ends

Here comes the rain again, falling from the stars Drenched in my pain again, becoming who we are As my memory rests, but never forgets what I lost Wake me up when September ends

Wake me up when September ends Wake me up when September ends
