

Now I've found that the world is round
And of course it rains every day.

Living tomorrow, where in the world will I be?
Tomorrow, how far am I able to see?
Or am I needed here?

Now I've found that the world is round
And of course it rains every day.

If I remember all of the things I have done,
I'd remember, all of the times I've gone wrong.
Why do they keep me here?

Now I've found that the world is round
And of course it rains every day.

And now I've found that the world is round
And of course it rains every day.
