

## I'm Your Puppet

Gregory and the Hawk

I'm your puppet  
I'll learn to love it  
And I'll undress  
If you need it  
But please don't need it  
If you need it  
I'll scream out

Weave a secret  
I will sweep it  
Beneath the carpet  
Where you'll keep it  
How weak is that?  
Wish I was worth it  
To you

Review my wishes  
For fair weather  
'Cause I know if the clouds with rains or snows  
You won't be there  
How weak is that?  
Wish I was worth it  
To you
