

In Fact

Gregory and the Hawk

Step one: light me on fire
Step two: walk clean away
I won't burn long
And evidence of your done wrong will be gone
In seconds I swear

But if you got time anyway
Why not watch me hurt?
And nothing is sweeter than needed revenge
Oh, that's right
I did nothing
And you were the mean one
In fact, you even broke my good tape deck
In fact, don't wanna be friends

But if you got time anyway
Why not watch me hurt?
And nothing is sweeter than needed revenge
Oh, that's right
I did nothing
And you were the mean one
In fact, you even broke my good tape deck
In fact, don't wanna be friends
