## **Sweet Winter Hello**

## **Gregory and the Hawk**

To the hills we go Bring all of your fog and smoke Bring all the friends you know To the hills we go To the fall we blow goodbye kisses, bid winter hello Feel the pine needles give way below

Oh, winter, sweet winter, hello... Steal my sun I'll be your only one

In the times we know Life takes money and money makes woes Like your lover leads your heart, lets it grow, Keep an eye on the silent sky See the splendor in a short ride Be the slow falling snow In the times we know
