

Red Rose For Gregory

Gregory Isaacs

Red rose for Gregory
A special delivery with question signs
From whom I don't know
Red roses for me, a token of love in secrecy

Maybe it's coming from Mary
But I've seen her since morning already
So it's not her
Could it be from June?
Oh no, I saw her early this afternoon, Lord

If it's not from June or Mary, who is it from?
It's a question to query
Who shall I thank for this red rose?
Your guess is good as mine, I suppose
Only Lord knows

But I don't wanna take no chance and call no one
As I'm not sure, I don't wanna guess and then it from
You see my list is very long, so very long

Red rose for Gregory
(Somebody sent a rose for me)
Special delivery with question signs
(And I don't know who it could be)
From whom I don't know

Red rose for me, ooh we
(Somebody sent a rose for me)
A token of love in secrecy
(And I don't know who it could be)
Top secret, who's gonna reveal it?

Suppose it's from Sandra
I wonder, she could be the answer, alright
I know she's like this, full of surprises
She is closin' up to the top of my list, Lord

But I don't wanna take no chance and call no one
As I'm not sure, I don't wanna guess and then it from
You see my list is very, very long, oh, so long

Red rose for Gregory
(Somebody sent a rose for me)
Specially breed with question signs
(And I don't know who it could be)
From whom I don't know

Red rose for me
(Somebody sent a rose for me)
A token of love with secrecy, Lord
(And I don't know who it could be)

Somebody sent a rose for me
And I don't know who it could be
Somebody sent a rose for me
And I don't know who it could be

Somebody sent a rose for me
And I don't know who it could be
Somebody sent a rose for me
And I don't know who it could be
