

Black Nile

Gregory Porter

Hey come along with me
Let your spirit run free
Along the old black nile
Hey, take my hand and see
Creations planned a long the old black nile
My ancestry, history is calling me
Come on, let's see, hey just how it used to be

Hey come along with me
Let your spirit run free
Along the old black nile
Hey, take my hand and see
Creations planned a long the old black nile
My ancestry, history is calling me
Come on, let's see, hey just how it used to be
