

## Black Nile

Gregory Porter

Hey come along with me  
Let your spirit run free  
Along the old black nile  
Hey, take my hand and see  
Creations planned a long the old black nile  
My ancestry, history is calling me  
Come on, let's see, hey just how it used to be

Hey come along with me  
Let your spirit run free  
Along the old black nile  
Hey, take my hand and see  
Creations planned a long the old black nile  
My ancestry, history is calling me  
Come on, let's see, hey just how it used to be
