

# Hey Laura

Gregory Porter

Hey Laura it's me sorry but i had to rang your doorbell so late  
but there's somthing bothering me i really am sorry but it just  
couldn't wait

is there someone else instead of me go ahead and lie to me and  
i will believe your not in love with him  
and this bloke can see, that the rivers of your love flow here  
to me

Hey Laura it's me sorry but i had to ring your doorbell so late  
but there's somthing bothering me i really am sorry but it just  
couldn't wait

but i held the doze of make believe wont you lie to me and make  
me believe that your in love with me  
and this fool can see that the rivers of your love flow here to  
me

Hey Laura it's me sorry but i had to ring your doorbell so late  
but there's somthing bothering me all night long but i just cou  
ldn't wait

but i held the dose of make believe go ahead and lie to me and  
make me believe that your in love with me  
oh this fool can see that the rivers of your love flow up here  
to me
