

# Holding On

Gregory Porter

Weight of love on my shoulders  
I thought that it would be easier than this  
I found my heart had grown colder  
But the warmth of your kiss, I can't dismiss

Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you

But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it

Holding on  
Holding on  
Holding on  
Holding on

I've seen times that were harder  
I remember the taste of bitterness  
Won't you help me, my father?  
Help me fall in the love that I have missed

Though my past has left me bruised  
I ain't hiding from the truth  
When the truth won't let me lie right next to you

But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it

Whoa  
Whoa  
Holding on  
Holding on

But it's holding on  
And it's holding strong  
Even though I tried to make it  
Played the part, but I can't fake it  
It keeps holding on  
And it's holding strong  
Even though I tried to break it  
Heaven knows that I can't shake it

Holding on  
Holding on

It keeps holding on  
It keeps holding on  
It keeps holding on  
Holding on  
Holding on  
Holding on  
Holding on  
Holding on  
Holding on  
Holding on
