

# Insanity

Gregory Porter

How did we ever lose our minds?  
And fall apart, knowing we're the only ones  
To heal each others hearts  
Bring your love back to me  
Stop this insanity  
Before we go too far

How did we ever lose our way?  
And try to say love is a losing game  
Should've never tried to play  
Bring your love back to me  
Stop this insanity  
Before we go too far

We were lovers  
And the best of friends  
And I hope, I hope that we can be that  
Until the end  
Sometimes the lover  
Can be angry 'till the end  
But it's always the friend inside  
That will make amends

How did we ever lose our way?  
And try to say love is a losing game  
Should've never tried to play  
Bring your love back to me  
Stop this insanity  
Before we go too far

We were lovers  
And the best of friends  
And I know that we can be that  
Be that 'till the end  
Sometimes the lover  
Can be angry 'till the end  
But it's always the friend inside  
That will make amends

How did we ever lose our way?  
And start to say love is a losing game  
We will never feel the same  
Bring your love on back to me  
Stop this insanity  
Before we go too far  
Before we go too far  
Before we go too far  
Before we go too far
