

# Liquid Spirit

Gregory Porter

Un re-route the rivers  
Let the dammed water be  
There's some people down the way that's thirsty  
So let the liquid spirit free

The people are thirsty  
'Cause of man's unnatural hand  
Watch what happens when the people catch wind  
When the water hits the banks of that hard dry land  
Clap your hands now  
Go 'head and clap your hands now  
Clap your hands now  
Go 'head and clap your hands no, hmm

Get ready for the wave  
It might strike like the final flood  
The people haven't drank is so long  
The water won't even make mud

After it comes, it might come with a steady flow  
Grab the roots of the tree  
Down by the river, fill your cup when your spirit's low

Clap your hands now  
Go 'head and clap your hands now  
Clap your hands now  
Clap your hands now

Dip down and take a drank  
And fill your water tank  
Dip down and take a drank  
And fill your water tank

Un re-route the rivers  
Let the dammed water be  
There's some people down the way that's thirsty  
Let the liquid spirits free

The folk are thirsty  
Because of man's unnatural hand  
Watch what happens when the people catch wind  
Of the water hitting banks of hard dry land

Clap your hands now  
Clap your hands now  
Go 'head and clap your hands now  
Clap your hands now

Hmm

Get down and take a drink  
And fill your water tank  
Dip down and take a drink  
And fill your water tank
