Liquid Spirit

Gregory Porter

Un re-route the rivers Let the dammed water be There's some people down the way that's thirsty So let the liquid spirit free

The people are thirsty 'Cause of man's unnatural hand Watch what happens when the people catch wind When the water hits the banks of that hard dry land Clap your hands now Go 'head and clap your hands now Go 'head and clap your hands no, hmm

Get ready for the wave It might strike like the final flood The people haven't drank is so long The water won't even make mud

After it comes, it might come with a steady flow Grab the roots of the tree Down by the river, fill your cup when your spirit's low

Clap your hands now Go 'head and clap your hands now Clap your hands now Clap your hands now

Dip down and take a drank And fill your water tank Dip down and take a drank And fill your water tank

Un re-route the rivers Let the dammed water be There's some people down the way that's thirsty Let the liquid spirits free

The folk are thirsty Because of man's unnatural hand Watch what happens when the people catch wind Of the water hitting banks of hard dry land

Clap your hands now Clap your hands now Go 'head and clap your hands now Clap your hands now

Hmm

Get down and take a drink And fill your water tank Dip down and take a drink And fill your water tank
