

Pax Psychosis

Grendel

Your disease is confusing you my friend
You need me
There's something wrong with your brain
But don't you worry I can help you
Are you ready

Sir!
Yes, Sir!

Unity constructing isolation
Conformity constructing tyranny
Bureaucracy and administration
A new cold wave of anxiety

Head high
March forth
Don't ask
Don't talk
Kneel down
Conform
Decay
Forlorn

Pax Psychosis is just a matter of time
With a cold steel logo pointing to the sky
Free burgers for you, once you've paid the price
Just take in those rules and never ever think twice

A new formed order - So you can sleep tight
Controlling forces - A covert genocide
Populist thinking - So you can rest your mind
Just like we've seen before - yet we ignore the eagle's cries

Head high
March forth
Don't ask
Don't talk
Kneel down
Conform
Decay
Forlorn

Pax Psychosis is just a matter of time
With a cold steel logo pointing to the sky
Free burgers for you, once you've paid the price
Just take in those rules and never ever think twice

Exchange your culture for a Disney smile
Constrict your view for a cheaper petrol mile
Exhume the shame we burden and turn upon the rest
Is this what you want? Is this what you request?

Head high

March forth
Don't ask
Don't talk
Kneel down
Conform
Decay
Forlorn
