

# As Far as You Know

Gretchen Wilson

As far as you know I've gotten over you  
And I bet it makes it easy, yeah, bet you're so relieved  
When you let me go, I made a clean goodbye  
Like it didn't even phase me, no, I didn't even cry

But it's not all about you, no  
I've got a face to save too

But when I get home, all alone  
I get to thinking 'bout what you did  
And I come up swingin'

I burn all your letters  
Tear off the linen  
Break all the mirrors  
As if you were in 'em and stop

Take a breath  
Take a breath, take control  
Oh, 'cause you know me  
I'm good to go

As far as you know  
Everything's a okay  
'Cause all I let you see is  
The smile that I fake

Nobody knows  
How much I hurt inside  
'Cause I keep it in the closet, yeah  
And I hold my head up high

Won't need my pride that I lose, no  
Lay down and die, I refuse, oh

Yeah, when I get home, all alone  
I get to thinking 'bout what you did  
And I come on swingin'

I burn all your letters  
Tear off the linen  
Break all the mirrors  
As if you were in 'em and stop

Take a breath  
Take a breath, take control  
Oh, 'cause you know me  
I'm good to go

As far as you know  
I'm missing you tonight  
As far as you know  
In your twisted little mind

'Cause when I get home, all alone  
I get to thinkin' 'bout what you did  
And I, come on swingin'

And I burn all your letters  
Tear off the linen  
Break all the mirrors  
As if you were in 'em

Claw out the walls  
Rip out the walls  
I got a pistol, I'm aiming to fire  
Then I stop
