

# Good Morning Heartache

Gretchen Wilson

Four players  
One microphone  
One voice  
One take

Good morning heartache  
You old gloomy sight  
Good morning heartache  
Thought we said goodbye last night  
I turned and tossed until it seemed you had gone  
But here you are with the dawn

Wish I'd forget you  
But you're here to stay  
It seems I met you  
When my love went away  
Now everyday I start by sayin' to you  
Good morning heartache what's new

Stop haunting me now  
Can't shake you know how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues

Good morning heartache  
Here we go again  
Good morning heartache  
You're the one who knew me when  
Might as well get used to you hangin' 'round  
Good morning heartache sit down

Stop haunting me now  
Can't shake you know how  
Just leave me alone  
I've got those Monday blues  
Straight through Sunday blues

Good morning heartache  
Here we go again  
Good morning heartache  
You're the one who knew me when  
Might as well get used to you hangin' 'round  
Good morning heartache sit down
