

I'd Love to Be Your Last

Gretchen Wilson

If I had it my way
This would be the first time
That I made love
And I would be the first girl
That your hands touched
But we've both done our share of livin'
Takin' chances we've been given
I've never been too big on lookin' back
I don't care if I'm your first love
But I'd love to be your last

If I could do it over
I'd have waited for this moment
So I could give my heart to you unbroken
But if our mistakes brought us together
Does it really matter whether
We were saints or sinners in the past
I don't care if I'm your first love
But I'd love to be your last

All I know is what I see
When I look at you
And all I see is what
I'm feelin' down inside
And all I'm feelin'
Is this feelin'
That I finally got it right ooohhh

When I wake up tomorrow
I'm gonna' wrap my arms around you
Thank my lucky stars I found you
'Cause I know your heart has so much more than
Anyone has touched before and
Nothing matters more to me than that
I don't care if I'm your first love
But I'd love to be your last

I don't care if I'm your first love
But I'd love to be your last
