

# I Don't Feel Like Loving You Today

Gretchen Wilson

I don't feel like loving you today  
So don't you even try to change my mind  
The best thing you can do right now is just go away  
Cause I don't feel like loving you today

I don't want to talk about last night  
I'm angry and haven't had much sleep  
And I'm so tired and bloodshot, there ain't no telling what I'd  
say  
Cause I don't feel like loving you today...

But you know I will anyway  
Even though we make it hard sometimes  
I'll wind up forgiving you  
And probably loving you for the rest of my life...  
But I don't feel like loving you today

And I've got sixteen hours left to go  
I might tell you that I'm leavin' even though you know I'll sta  
y  
Cause I don't feel like loving you today...

But I don't feel like loving you today  
I just don't feel like loving you today.
