

Love on the Line

Gretchen Wilson

Woke up cryin' with pictures of you in my head
Lyin' next to the thing that you don't know I did
I could tell on myself but I don't think that
I have the nerve
If I lose you I know that it's what I deserve

In a way I'm glad that my guilt keeps
Fallin' on me like rain
At the same time
I can't help but wonderin' why
I put your love on the line

I could stop but the truth is
I don't think I can
It's not somethin' I wanted
Or somethin' I planned boy
I love you
I need you
I want you to stay
I keep my secrets to keep you from walkin' away

In a way I'm glad that my guilt keeps
Fallin' on me like rain
At the same time
I can't help but wonderin' why
I put your love on the line

In a way I'm glad that my guilt keeps
Fallin' on me like rain
And at the same time
I can't help but wonderin' why
I put your love on the line
Put your love on the line
Put your love on the
Put your love on the line
