

## Not Bad for a Bartender

Gretchen Wilson

I stood behing that bar till closing time  
I served cold beer, warm whiskey, and Rotgut Wine  
Now I'm up here on the stage  
Everybody knows my name  
And I can't believe how long they wait  
In my autograph line

Not bad for a bartender or an eighth grade education  
pretty good for a backwoods girl  
who had to make it on her own  
I'm on the stool side of the bar these days  
Buying everyone a round  
Ain't it funny how the tables turn  
Not bad for a bartender

Swingin' doors and cleanin' floors is all I'd ever known  
Out of nowhere somehow i gound my yello brick road  
So when you're broke and paying dues  
Look at me I'm living proof  
And if there's hope for me  
Know there's hope for you.

I'm on the stool side of the bars these days  
Buying everyone a round  
Ain't it funny how the tables turn  
Not bad for a bartender  
Ain't it funny how the tables turn  
Not bad for a bartender
