

One Bud Wiser

Gretchen Wilson

CAPO 1. FRET

CHORUS:

Well, I'm one Bud wiser than I was a minute ago.
I found an equalizer that makes his memory a no show.
And I won't be jonesin' for his lovin' anymore,
cause I'm one Bud wiser than I was a minute ago.

I dropped a quarter, played Golden Rain on the jukebox. (Thank you!)
Placed my order with the guy behind the bar.
And when he handed me a cold one,
well I said, "Keep the change, Darlin'."
And as I drank it down, I felt the healing start.

CHORUS: Well,...

When he left me, he took my brand-new Silverado.
I started thumbin' and I finally hitched a ride.
I just came in here to drink a beer and watch the rednecks fight.
Now I don't feel so bad goin' home alone tonight.

CHORUS:

Well I'm one Bud wiser than I was a minute ago.
I found an equalizer that makes his memory a no show.
And I won't be jonesin' for his lovin' anymore,
cause I'm one Bud wiser than I was a minute ago.

BRIDGE:

And I won't be jonesin' for his lovin' anymore,
cause I'm one Bud wiser than I was a minute ago.
Yes, I'm one Bud wiser.
