

Rebel Child

Gretchen Wilson

Rebel child won't you heed my warning
One of these days the rain'll come falling
Some of those sunshine blue sky mornings
Might just turn to grey

VERSE 1:

I understand why you do the things you do
There was a time when I was just like you
I know right now you think you know it all
There's no way you can break,
no way you can
fall

CHORUS:

Rebel child won't you heed my warning
One of these days the rain'll come falling
Some of those sunshine blue sky mornings
Might just turn to grey
I've been there and I know what you're thinking
You're flying high but some day you'll blink and
That cloud you're on just might start sinking
Don't wait til it's too late
Oh Rebel Child

VERSE 2:

I know you can't learn from my mistakes
You got your own road you've got to take

And they might look
like they're paved with gold
Just remember that you'll have to reap
All the seed you sow

CHORUS....

BRIDGE:

Keep your feet on the ground
One eye on heaven
Do a lot of forgiving
Not much forgetting
And remember that life is one big lesson

CHORUS....

Oh Rebel Child
Oh Rebel Child
Oh Rebel Child
