

# When I Think About Cheatin'

Gretchen Wilson

I've never done anything  
That would ever bring a tear to your eye  
I've never crossed the line  
or needed an alibi to cover up a lie  
But darling i'll admit  
They're been times when i could have  
The thing that kept me strong  
Is the one thing that is always on My mind

When I think about cheatin'  
I just think about you leavin'  
And how my world would fall to pieces  
If I tossed your love away  
Even when i'm tempted by some stranger  
Oh there's never any danger  
I just think about you leavin'  
When I think about cheatin'

There was a time in Abilene  
When he said all the things I wanted to hear  
It was hard to turn him down  
Between the champagne and the sound of whispers in my ear  
But it just took one two-  
step with someone and I was missing you  
He never had the chance cause I broke up the dance  
Before the song was through
