

# Anything, Anything

Grey Daze

Okay, what is it tonight?  
Please just tell me what the hell is wrong  
Do you wanna eat? Do you wanna sleep? Do you wanna shout?  
Just settle down, settle down, settle down  
Well, I'll give you candy  
Give you diamonds, give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch  
The shows you wanna see  
'Cause you married me  
Married me, married me  
I'm so sick of you tonight  
You never stay awake when I get home  
Something wrong with me? Something wrong with you?  
I really wish I knew, wish I knew, wish I knew  
Well, I'll give you candy  
Give you diamonds, give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch  
The shows you wanna see  
'Cause you married me  
Married me, married me  
When I was young, I played the game  
That love and happiness were the same  
Now I'm older and I don't play  
And I found out the hardest way  
I got wasted, she got mad  
She called me names then she called her dad  
He got crazy and I did too  
Wondering what I did to you  
Well, I'll give you candy  
Give you diamonds, give you pills  
I'll give you anything you want  
Hundred dollar bills  
And I'll even let you watch  
The shows you wanna see  
I'll do anything, anything, anything  
Anything, anything, anything  
Anything, anything
