

She Shines

Grey Daze

She shines like a flower
In my head
Everybody,
Wants to pick her dead
(Chorus)
She said she loved me
And lied to me
She was by the river
And lied to me
She shines like a flower
In my head
Everybody,
Wants her in their bed
(Chorus)
She said she loved you
And lied to you
She was by the river
And lied to you
So eager
(Chorus)
So eager
(Chorus)
So eager
