Broken Hearts

Greyson Chance

I remember the first time saw you With your pretty brown eyes that sparkled In the light And your long brown hair And the way you could dance so well

And you took the air I'm breathing And stole my heart I don't know what happened But we fell apart You left me with the Broken Heart Oh, oh, oh, Broken Heart

Broken hearts they never fade away and Broken hearts are here to stay

I know what we've been waiting for But that doesn't give you the excuse tooo Then all the reason you can Especially, my best friend

Cause you took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart Oh, oh, oh, Broken Heart

Broken hearts they never fade away and Broken hearts are here to stay

Cause you took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart Oh, oh, Broken Heart

You took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart Oh, oh. oh, Broken Heart

Broken hearts they never fade away

Cause you took the air I'm breathing You stole my heart I don't know what happened But we fell apart You left me with the Broken Heart Oh, oh, oh, Broken Heart
