

# Take My Heart

Greyson Chance

Don't have no fancy occupation  
I can't fly you to the moon  
Ain't got nothing in my pocket  
But I got enough love for you

I don't drive a Lamborghini  
(No, I don't)  
All my clothes are old & used  
Ain't got no house up on the hill, girl  
But I got enough love for you

Girl what I give  
You can't put a price tag on it  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you  
I ain't got no dime to pay  
But if I gave one thing away  
Take my heart today  
Ooooooooooh, ooooooooooh  
Take my heart today  
Ooooooooooh, ooooooooooh

Let me show you what you've been  
missing  
(My love)  
And show you what love's supposed to do  
(Love is suppose to do)  
We don't need no mansion or money  
'Cause I got enough love for you

It don't take no rocket science  
To know that I'm your dream come true  
Let me promise you this one thing  
That I got enough love for you  
Got so much love for you

Girl what I give  
You can't put a price tag on it  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you  
I ain't got no dime to pay  
But if I gave one thing away  
Take my heart today

Girl what I give  
You can't put a price tag on it  
You're worth more than gold  
And I'll do anything to have it  
Spend all my time on you  
I ain't got no dime to pay  
But if I gave one thing away

Girl what I give  
You can't put a price tag on it  
You're worth more than gold

I'll do anything to have it  
Spend all my time on you, yeah  
I ain't got no dime to pay  
But if I gave one thing away  
Take my heart today  
Ooooooooooh, ooooooooooh  
Take my heart today  
Ooooooooooh, take my heart today  
Ooooooooooh, ooooooooooh
