

# Only If You Need Me

Griffin House

Well the sorrow in my heart  
I can't feel anymore and I don't know what I'm gonna do  
I been hardened by a world telling me what I need  
And I job been keeping me from you  
How we gonna see this through?  
How you gonna love me when I'm gone?  
Maybe we can work this out, maybe we can make this last...  
But only if you need me...  
Tell me so  
Well I know you got your doubts  
And it weighs on my mind  
And the thoughts been kicking me around  
I push too hard and I talk too much and I can't find a way to figure out...  
If you in need me...  
Tell me so  
If you need me...  
Just say so  
'Cause it's madness that I'm asked to choose...
