I won't break your heart
In the dark
In the...
I won't break your heart
In the dark
In the...

I won't break your heart
I won't break your heart
In the dark

I'm new in the town
I see you at night
How to know since we are horrified?

In the tower
I see a cloud
How to know that it flows in the sky?

I won't break your heart
I won't break your heart
I won't break your heart
In the dark
[2x]

I'm the shinai
'Cause I .. flower
How to know that there's soul in the ..

I know ..
Sky and water
How to know that it flows only in the middle?

I won't break your heart (in the dark)
I won't break your heart
I won't break your heart
In the dark

In the...
I won't break your heart
I won't break your heart
I won't break your heart
In the dark

I won't break your heart
I won't break your heart
I won't break your heart
I won't break your heart
In the dark
