ohh  
ouh  
I can't be a lifetime  
without you  
nothing that  
but it's you  
I took the chance  
I wasn't scared  
I took the chance  
I stood alive  
I wanna know  
I wanna know  
oh pain  
I stood alive  
I wanna know  
oh pain  
I stood alive  
I wanna know  
oh pain  
I stood alive  
I wanna know  
ohh  
I will always run  
ouh  
I can't be a lifetime  
without you  
I took a chance  
I wasn't scared  
oh pain  
I wanna know  
I wanna know  
I wanna know  
ohh...
