

## My Sister Says the Saddest Things

Grimes

Ah, my sister  
Ah, my sister  
Hold my hand in the night  
Ah, my sister  
Ah, my sister  
Hold my hand in the night

Tick tock, baby  
Tick tock, baby

Ah, my sister  
Ah, my sister  
Hold my hand in the night

Ladies walk about, singing in the night  
You will never tell  
Ladies walk about, singing in the night  
You will never tell

I will cry on the 4th of July, and  
I don't really mind, and  
I haven't the time, and  
I will cry on the 4th of July, and  
I don't...

Ladies walk about, singing in the night  
You will never tell  
Ladies walk about, singing in the night  
You will never tell

My only friend  
This is the end

My only friend  
This is the end

My only friend  
This is the end  
My only friend  
This is the end.
