

# Swan Song

Grimes

I sow now and then  
You go by your own  
I don't care

Leave me there  
We find in nowhere  
Leave me there  
We find in nowhere

Leave on you  
Leave on, leave on, on, on, on  
Let go  
See, see, see, see

I glow light  
I, ah  
I, ah

Leave on you  
Leave on nowhere  
Leave on you  
Leave on nowhere
