

## Symphonia IX (My Wait Is U)

Grimes

You Try, You Try  
To make you Cry  
and make you love me

Ohh, i would say yes  
Ohh, I would say yes

The need to be the best before  
The need to rest

Ohh, i would say yes  
Ohh, I would say yes

Si, my wait is U  
My wait is U, my wait is U  
(And I won't go on)

Si, my wait is U  
My wait is U, my wait is U  
(And I won't go on)

To he pain of you deflame can be trying  
Ohh, i would say yes  
Ohh, I would say yes

So as you fade away your life  
I lay dying

Ohh, i would say yes  
Ohh, I would say yes

Si, my wait is U  
My wait is U, my wait is U  
(And I won't go on)

Si, my wait is U  
My wait is U, my wait is U  
(And I won't go on)
