```
You Try, You Try
To make you Cry
and make you love me
Ohh, i would say yes
Ohh, I would say yes
The need to be the best before
The need to rest
Ohh, i would say yes
Ohh, I would say yes
Si, my wait is U
My wait is U, my wait is U
(And I won't go on)
Si, my wait is U
My wait is U, my wait is U
(And I won't go on)
To he pain of you deflame can be trying
Ohh, i would say yes
Ohh, I would say yes
So as you fade away your life
I lay dying
Ohh, i would say yes
Ohh, I would say yes
Si, my wait is U
My wait is U, my wait is U
(And I won't go on)
Si, my wait is U
My wait is U, my wait is U
(And I won't go on)
