And my heart is here right next to me

And I'm caught waiting in the rainx2

and I know and it *...wtf?*and I oh-oh-oh-I-I, oh-oh-oh-I-I-I-I

Hey hey you wanna play but baby I can go go

And every other day you're running over flow but baby I'd implore you if I didn't know you but I'm paying for it (2x)

ooh ha huh ha huh ah huh ah huh

Baby I'd implore you, if I didn't know you but I'm paying for it

I hold on and I don't care what you say but the way it goes it's happening everyday I can't see straight *...?*

I hold on and I don't care what you say because the way it goes it's happening everyday
