Ah uh ah uh ah uh

Speak it all the time, speak it all the time
And I'll never tell you what is mine
I don't know what it means, but I see it, it's fine
It's hardly any other it can borrow inside
Think it all the time think it all the time
And I know that I tell you but boy it's mine
I don't know what it is and that it is fine
It's hardly any other it can borrow inside

Oooh

Being myself makes me feel like I can't touch the ground
Here on the earth makes me feel like I can't get the sound
Being myself makes me feel like I know who you are
Cause boy you can be what the words who you are what you are
