

Me dijeron que andabas bien baracho  
¡Re te bien, re te bien gacho! -- Parece que planabas otra ves  
Tus ojitos de idiotita tan perdido  
¡Ay que gasto! -- ¡Desperdicio! ¡Despilsarro!  
Ademas de tu vida que te empeñas en desirme  
¡Que la culpa no es la tuya! -- ¿Que la culpa es la mia?  
Que averte sin moberte tan botado  
¡Pobre imbecil! -- Los años van a pasar  
Y un dia reventir...

Take a good look at yourself and tell me what you see  
You're just another wasted youth on PCP  
You're drooling on yourself, you got snots on your face  
You can't walk straight you're falling all over the place  
I don't give a damn. It's your life, it's your right  
Yer part of a generation with no future in sight  
Yer tripping, yer slipping, yer f\*\*kin' up your mind  
Stay away from me man 'cause I hate your f\*\*king kind

You're on dope, there's no hope. Strung out again you are f\*\*ki  
n' up big time  
Lost in space what a waste. You're falling on your face again f  
rosted flake  
Can't you see look at you, where will you end up, I don't know  
It's your life, it's your trip.  
And you're doin' nothing of your goddamn mind  
That's right, your goddamn mind -- Skank up!

You're all stupid and pathetic cause you blew your fuse  
Now there's no turning back, there's no use  
You think you're a rebel but you're just a clown  
Keep on doing that shit you're going down, down, down  
Raping yer mind turning into vegetable matter  
Doing nothing except making your dealer's ass fatter  
No stash, no cash. So cocks you will blow  
I'm gonna love saying this but I told you so

ça fait trop longtemps ke l'monde est pareil  
Toi tu donne l'exemple d'un monde sans éveil  
On a besoin d'toi, yé temps k'tu t'réveilles  
Pour changer notre monde, pour changer nos manières  
Amène toi donc, amène toi vers l'espoir  
D'un nouveau trip, un trip sans la déboire  
Ben gelé sa mess, B.S.,  
Dis moi donc ski t'fais chier
