

# Mickey Mouse and the Goodbye Man

Grinderman

I woke up this morning  
I thought what am I doing here?  
My brother he starts raging!  
Watch him rising see him howling!  
And he sucked her and sucked her dry  
And he bit at me and said goodbye  
Up on the twenty-ninth floor

I was lying there with just my brother  
We could hear someone rattling the locks  
I was lying there with just my brother  
Do you think that it might be the cops?  
I was a Mickey Mouse. He was a Big Bad Wolf!  
And he sucked her and he sucked her dry  
Next thing you know  
I'm looking down below  
See a lupine child  
With her hair on fire  
Little burning girl!  
Looking up at me!  
Running to the elevator!  
Getting in the elevator!  
Sixth floor! Seventh floor!  
Eight floor! Nine!  
Come on baby  
Blow my mind!

I woke up this morning and he was gone  
There were posters in the airports and the stations  
We took shelter under her body  
We sucked her and sucked her dry  
He kissed me and said goodbye

Well no time at all  
She's walking down the hall  
A bat-faced girl  
With dynamite curls  
Ringing the bell  
Banging on the door  
Looking up at me

Walking like a travelator  
Jumping in the elevator  
Twenty-two! Twenty-four!  
Twenty-six! Twenty-nine!  
Come on baby  
Blow my mind!
