## 1000 Miles

Grinspoon

Well, I got drunk and I got stoned Shot my family left my home Went out on a killing spree 'Coz what you did was fucked to me

A thousand miles Come get all your files Put on that plastic smile A thousand miles Go, go, go, go, go, go Go, go, go, go, go, go

When I got down and said to me She made me part of history Well, I go drunk and I got stoned Left my family all alone Go, go, go

A thousand miles Come get all your files Put on that plastic smile A thousand miles Go, go, go, go, go, go Go, go, go, go, go, go

A thousand miles Come get all your files And all that frequent smiles And all that plastic smile

A thousand miles Come get all your files Put on that plastic smile A thousand miles Go, go, go, go, go, go Go, go, go, go, go, go
