Choose a television set
Of colour screen sensation

Do you think that i was wrong
I've got a patient family
Was the plan meant to go there?
Anyday anyhow

Say what you want to belong to
Anytime
We dont come here very often
sold on side

Believe that
I'd never lie here
I couldn't feed another saviour
If the trouble ended up and did you wrong
Come say and get another reading

Did i do things much better
Did i do things much worse
Was it that patient family
Waiting there patiently

Say what you want to belong to
Anytime
We dont come here very often
sold on side

Say what you want to belong to
Anytime
We dont come in very often
sold on side

Say what you want to belong to
Anytime
We dont come here very often
sold on
