

# Minute By Minute

Grinspoon

This is a new year lullaby  
I can not fake it  
You know the reasons  
Don't ask why

When I got drunk and crashed the car  
Were you still near me?  
Still I got writing on my face

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day  
Two packs a day

This is an Easter crucified  
Buried in levels  
Though I'm still bleeding  
I won't die

I can see violence in your eyes  
I've run out of warning  
Satan is singing me lullabies

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day  
Two packs a day

I know it's time to say goodbye  
But I'm still wasting  
This is no time for me to...  
Now that it's over said and done  
Our house is empty  
Where do I go now, you have gone

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day

Minute by minute, day by day  
Though I can't touch you, you're so far away  
Minute by minute, day by day  
Two packs a day
