```
all right
right on
cowgirl
that song
find something u can sell
then make a war to find it
your told it
so now its true
no buisness
somewhere ordinary yeah ordinary
cast yeah
alright
baby
your rockin tonight
it started out so well
then it goes straight then it folds
your told it
so now its true
no buisness
your so ordinary
get back to
when u were blue
go find her
somewhere ordinary
find somewhere u can go and get away from it all...
your told it
so now its true
no buisness
somewhere ordinary
get back to
when u were blue
go find her
```

somewhere ordinary
your so ordinary
