

The Longest Hate

Grip Inc.

every culture rage and creed
domination runs through its veins
the bad seed
condemning integration to
survive
so vicious is self righteousness
all blood runs red

the longest hate

time to shed all your fear
time for you to fight
time for you to shed some blood
break the back of hate

the longest hate

separatist, preaching
from misinterpretation of the book
racists, breeding hate
ignorance believe in lies
breeding the hate and fear
without facts
fascist nazi dog
please tell me why?

why? you fuck?
