

My Life Be Like

Grits

My life be like
Ooh Aah (yeah), Ooh Ooh
My life be like (yeah)
Ooh Aah, Ooh Aah (yeah), Ooh Ooh
Ooh Aah (yeah), Ooh Ooh
My life be like (yeah)
Ooh Aah, Ooh Aah (yeah), Ooh Ooh
My life be like (yeah)

It's times like these that make me say
Lord if you see me please come my way
Leavin' bread crumbs for when I stray
Rely on sacrifice and the price you paid
Feel me like a fingertip (fa-finger tip, fa-finger tip)
Sometimes I fall I slip
My heartfelt desire be more like you
Tryin' not to quench your fire with the things I do

I'm on an island by my lonesome stranded
Low key and stayin' candid
Reflect on all the things I try my hand at
Search for the equations to persuasions I'm used to
Finding comfort in the zones of closet bones I get loose to
A mountainous fountain
Spinning and monsooning, grinning it's high octane
Explosive how I came
Rolling down hills cause lifes a hassle
Encircled by my folly like a moat surround a castle
Stay afloat, catch a second wind
Thin is the air I breathe
Teary eyed nose running wipe the snot on my sleeve
I'm calling on the Savior to be all that I need
Please forgive me my behavior had me lost at light speed

It's times like these that make me say
Lord if you see me please come my way
Leavin' bread crumbs for when I stray
Rely on sacrifice and the price you paid
Feel me like a fingertip (fa-finger tip, fa-finger tip)
Sometimes I fall I slip
My heartfelt desire be more like you
Tryin' not to quench your fire with the things I do

The fear of never fallin' in love
And the tears after losin' the feelings of what you thought love was
Like the dirt still up under the rug (My life be like)
Bad characteristics covered in Christs blood
The joy of new birth and the pain of growin' up
The bliss between givin' my all and givin' up
The highs and lows
Paths and roads I chose
In the cold I froze
Tryin' to ease my woes
In this world of sin
Clothes to thin to fend
So to God I send
Words of help to win

In grumblings so deep letters could never express
So the sound of Ooh Aah beneath my breath projects

It's times like these that make me say
Lord if you see me please come my way
Leavin' bread crumbs for when I stray
Rely on sacrifice and the price you paid
Feel me like a fingertip (fa-finger tip, fa-finger tip)
Sometimes I fall I slip
My heartfelt desire be more like you
Tryin' not to quench your fire with the things I do

(Don't be bad)

My life be like
Ooh Aah Ooh
Dum dum ditty
Here come that boy from the Capital City
Last up on the Grits new ditty
But eight bars or the truth well do (uh)
I believe theres a private stunnin
And I believe in the Kindgom Comming
I believe if you seek the truth
You don't need to look far cause it's gonna find you
So why oh why do I trip and stumble?
And ooh aah as commitment crumbles?
I can't believe that I'm here again....

It's times like these that make me say
Lord if you see me please come my way
Leavin' bread crumbs for when I stray
Rely on sacrifice and the price you paid
Feel me like a fingertip (fa-finger tip, fa-finger tip)
Sometimes I fall I slip
My heartfelt desire be more like you
Tryin' not to quench your fire with the things I do
It's times like these that make me say
Lord if you see me please come my way
Leavin' bread crumbs for when I stray
Rely on sacrifice and the price you paid
Feel me like a fingertip (fa-finger tip, fa-finger tip)
Sometimes I fall I slip
My heartfelt desire be more like you
Tryin' not to quench your fire with the things I do

Fa-finger tip, fa-finger tip
Fa-finger tip, fa-finger tip
My life be like
Fa-finger tip, fa-finger tip
Fa-finger tip, fa-finger tip
Ma-ma-my life be like
Fa-finger tip, fa-finger tip
Fa-finger tip, fa-finger tip
My life be like
Fa-finger tip, fa-finger tip
Fa-finger tip, fa-finger tip
My life be like
