

# My Life Be Like

Grits

My life be like  
Ooh Aah (yeah), Ooh Ooh  
My life be like (yeah)  
Ooh Aah, Ooh Aah (yeah), Ooh Ooh  
Ooh Aah (yeah), Ooh Ooh  
My life be like (yeah)  
Ooh Aah, Ooh Aah (yeah), Ooh Ooh  
My life be like (yeah)

It's times like these that make me say  
Lord if you see me please come my way  
Leavin' bread crumbs for when I stray  
Rely on sacrifice and the price you paid  
Feel me like a fingertip (fa-finger tip, fa-finger tip)  
Sometimes I fall I slip  
My heartfelt desire be more like you  
Tryin' not to quench your fire with the things I do

I'm on an island by my lonesome stranded  
Low key and stayin' candid  
Reflect on all the things I try my hand at  
Search for the equations to persuasions I'm used to  
Finding comfort in the zones of closet bones I get loose to  
A mountainous fountain  
Spinning and monsooning, grinning it's high octane  
Explosive how I came  
Rolling down hills cause lifes a hassle  
Encircled by my folly like a moat surround a castle  
Stay afloat, catch a second wind  
Thin is the air I breathe  
Teary eyed nose running wipe the snot on my sleeve  
I'm calling on the Savior to be all that I need  
Please forgive me my behavior had me lost at light speed

It's times like these that make me say  
Lord if you see me please come my way  
Leavin' bread crumbs for when I stray  
Rely on sacrifice and the price you paid  
Feel me like a fingertip (fa-finger tip, fa-finger tip)  
Sometimes I fall I slip  
My heartfelt desire be more like you  
Tryin' not to quench your fire with the things I do

The fear of never fallin' in love  
And the tears after losin' the feelings of what you thought love was  
Like the dirt still up under the rug (My life be like)  
Bad characteristics covered in Christs blood  
The joy of new birth and the pain of growin' up  
The bliss between givin' my all and givin' up  
The highs and lows  
Paths and roads I chose  
In the cold I froze  
Tryin' to ease my woes  
In this world of sin  
Clothes to thin to fend  
So to God I send  
Words of help to win

In grumblings so deep letters could never express  
So the sound of Ooh Aah beneath my breath projects

It's times like these that make me say  
Lord if you see me please come my way  
Leavin' bread crumbs for when I stray  
Rely on sacrifice and the price you paid  
Feel me like a fingertip (fa-finger tip, fa-finger tip)  
Sometimes I fall I slip  
My heartfelt desire be more like you  
Tryin' not to quench your fire with the things I do

(Don't be bad)

My life be like  
Ooh Aah Ooh  
Dum dum ditty  
Here come that boy from the Capital City  
Last up on the Grits new ditty  
But eight bars or the truth well do (uh)  
I believe theres a private stunnin  
And I believe in the Kindgom Comming  
I believe if you seek the truth  
You don't need to look far cause it's gonna find you  
So why oh why do I trip and stumble?  
And ooh aah as commitment crumbles?  
I can't believe that I'm here again....

It's times like these that make me say  
Lord if you see me please come my way  
Leavin' bread crumbs for when I stray  
Rely on sacrifice and the price you paid  
Feel me like a fingertip (fa-finger tip, fa-finger tip)  
Sometimes I fall I slip  
My heartfelt desire be more like you  
Tryin' not to quench your fire with the things I do  
It's times like these that make me say  
Lord if you see me please come my way  
Leavin' bread crumbs for when I stray  
Rely on sacrifice and the price you paid  
Feel me like a fingertip (fa-finger tip, fa-finger tip)
