

## Deep Sea Diver

Grizzly Bear

I'm a deep sea diver with my fins  
And underneath your current I do swim  
A baker's dozen pertty pearls  
And where I travel on my toes do curl  
Because you, you got everything that I want  
A car, a house, and a dog  
You got everything that I want

Just keep me a while  
Just keep me a while  
Just keep me a while  
Just keep me a while  
Just keep me a while

I'm a deep sea diver losing air  
And around here I'm sad swimming  
You don't care
