

Wildly coherent in a watery deep  
We'll drop her down to the bottom  
We'll drop her down like she's nothing  
And the water is all

Oh, the water is still in a wilder deep  
We'll swim around like two dories  
We'll swim around like two dories  
Let loose in the bay

We'll miss the eddy  
Hold on, make steady, go  
There is no plenty  
Even keel already, go

I can't be here all hours  
Oh, such a riot  
I can't discern this trouble  
Oh, what a riot

I can't be here all hours  
Oh, such a riot  
I can't describe

I can't be here all hours  
Oh, such a riot  
I can't describe this problem  
Oh, what a riot

I can't be here all hours  
Oh, such a riot  
I can't describe this problem
