I Live with You

Return Been gone too long Return Don't make me beg And they'll try They'll try They'll try To keep us apart And they'll try, they'll try They'll try To keep us apart But yes we can You brought us this far We'll do what we can Return Don't put me on Return Don't make me beg Return And they'll try They'll try They'll try To keep us apart And you'll try, you all try You'll try To keep us apart But yes we can You brought us this far We'll do what we can
