Two Weeks

Grizzly Bear

Save up all the days A routine malaise Just like yesterday I told you I would stay

Would you always Maybe sometimes Make it easy? Take your time

Think of all the ways Momentary phase Just like yesterday I told you I would stay

Every time you try Quarter half the mile Just like yesterday I told you I would stay

Would you always Maybe sometimes Make it easy? Take your time

Would you always Maybe sometimes Make it easy? Take your time

Always, sometimes Easy, time
