

Drop That Thing

Groove Armada

This is the part when your booty drops
Shake it and wiggle it make it pop
This is the part when your booty drops
Drop that thing

This is the part when your booty drops
Shake it and wiggle it make it pop
This is the part when your booty drops
Shake it and wiggle it make it pop, ok
This is the part when your booty drops
Shake it and wiggle it make it pop
This is the part when your booty drops
Drop that thing

Put your hands to the top of the groove
And then we just wind what you want bwoy
And then we just wind what you want yeah

Drop that thing, drop that thing

This is the part when your booty drops
Shake it and wiggle it make it pop
This is the part when your booty drops
Shake it and wiggle it make it pop, ok
This is the part when your booty drops
Shake it and wiggle it make it pop
This is the part when your booty drops
Drop that thing

Put your hands to the top of the groove
And then we just wind what you want bwoy
And then we just wind what you want yeah

This is the part when your booty drops
Shake it and wiggle it make it pop
Ok, ok, ok, ok, ok
